Comments: Bridges Of Poplar Creek Country Club is owned and operated by Hoffman Estates

Park District with the maintenance department being operated by Billy Casper Golf. Bridges of Poplar Creek Country Club is an 18 hole public facility with a full driving range and learning facility. The course underwent a major renovation this past year to enhance the golf course and fix flooding issue with a grand opening date of June 10, 2011. Since 1989, Billy Casper Golf has successfully developed and managed golf courses for public agencies and private owners, growing into the most innovative and progressive golf course management company in the nation. Today the corporation's reach stretches from Hawaii to Massachusetts, encompassing more than 120 managed golf facilities. Here at Billy Casper Golf, we pride ourselves on our team atmosphere. This position will focus on growth and the learning process of operating daily-fee and municipal golf courses. This is a great step for someone who wants to develop and advance their career within the golf course industry.
