

Course Name:

**Broadmoor Country Club
Indianapolis, Indiana**

Club Operation:

Private golf club on west side Indy; 279 current golf members, 100 plus social.

Course Description:

Established in 1922, Donald Ross design, 18 holes, 6800 yards with bent/poa greens, tees and fairways, Toro Site Pro irrigation and good adequate resources.

Position Title:

2nd Assistant/Asst. in Training: Position is created for an individual to acquire all the hands on skill and experience needed to move into a First Asst. position as needed.

Position Availability:

March 2012

Duties:

Customary golf course maintenance in daily staff operations, irrigation, fert/pest applications, project renovation, safety training and general cross-training of staff.

Compensation Package:

Commensurate with experience and would range somewhere in the \$24,000 to \$28,000 range. Position would be full-time full year. Employee/Employer shared health insurance, life insurance, and annual vacation. Dues and educational expenses would be paid for local association education.

Requirements:

Minimum two-year degree and/or five years previous work experience. Must be a self-motivated individual, prepared to work in a bi-lingual environment and be open to working in a flexible work schedule when required. Some horticulture background would be a real plus. We are looking for 3 to 5 years of stability if possible. You must either possess or be capable of obtaining Indiana Pesticide Certification within your first thirty days of employment.
