

Chikaming Country Club

Post Office Box 146 · Lakeside, Michigan 49116 · (269) 469-4348

2nd Assistant Superintendent Position

Chikaming Country Club was founded in 1913. Chikaming has very little play, 9,000 rounds annually. The bulk of which comes between Memorial Day and Labor Day. This is due to a large portion of our membership being from Chicago and they vacation in and around Lakeside. Chikaming Country Club is best described as small, quiet and casual.

Education: Two or four year degree in turfgrass management required.

Experience: Candidates are expected to have a strong work ethic, a positive attitude and possess a willingness to learn. A qualified individual will be self-motivated and is expected to develop a feeling of ownership of our golf course, including a leader to our crew.

Special Skills: Candidates will be reliable, trustworthy and organized leaders. Successful candidates will work closely with the grounds management staff to plan fertilizer and pesticide applications, create budgets, purchase items, track inventory, and train staff members. In addition, one must have a well-developed eye for detail and a commitment to excellence.

Salary: (Annual) \$24,000 - \$27,000, DOE
