

**Second Assistant Superintendent
Fort Wayne Country Club
Fort Wayne, IN**

Course Type: Private

Number of Holes: 18 holes with full practice facility

Annual Rounds: 15,000

Primary Grasses:

Greens: Creeping Bentgrass/Poa Annua

Tees: Creeping Bentgrass

Fairways: Creeping Bentgrass

Education: Bachelors or Associates Degree in Turf Science

Job Description: All phases of golf course management. Applicants should be well experienced in pesticide and fertilizer applications, water management, golf course set up, and all day to day operations. Some experience with irrigation installation and upkeep will also be necessary as well as planning and execution of course improvement and drainage projects. The Second Assistant will work closely with the First Assistant and entire management team on new employee training, work follow up, inventory control, and record keeping. Employee must obtain Indiana Category 3-B pesticide license shortly after being hired.

Course Information: Fort Wayne Country Club is a 102 year old private club that has built a reputation of excellence in golf course management. Member expectations are very high as is the talent level of a long term staff. The ability to work well with long term employees and having a sharp eye for detail will be key attributes of the right candidate for the job.

Salary: Dependent on Experience

Benefits: Local and National Association Dues

Uniforms/Clothing

Playing privileges
