

Position: Golf Course Intern

Course Name: Cattail Creek Country Club

City and State: Glenwood, Maryland

Duties: Duties will involve all aspects of Golf Course Management. Specifically this will include water management responsibilities, fertilizer and pesticide calibration and application and all aspects of turfgrass mowing, grooming, verticutting, topdressing, rolling and aerifying. Intern will also be involved in IPM strategies along with crew management and team building. An internship project will be self-created and accomplished during allotted internship period.

Course Information: Cattail Creek is a private club formed in 1993. It is located equally in between Washington, DC, Baltimore and Frederick. The course is situated in a rural area yet services urban clientele. The golf course consists of bentgrass playing surfaces and is meticulously manicured day in and day out. Cattail Creek endorses an extremely successful internship program and will demand the most out of any student with any skill level.

Wages: \$10/hour

Overtime will be available as a typical work week is around 45-55 hours. Intern housing will be provided as well as lunch, dinner, uniforms and golfing privileges on Mondays.
