

Round Hill Club

On the Job Training

Position: Summer Intern
Course: Round Hill Club
City and State: Greenwich, Connecticut

Responsibilities: Emphasis is placed on training the individual in: effectively running small crews, maintaining an operating an irrigation system, safe and proper chemical applications, course set up for tournament and weekend play, hand watering that coincides with championship playing conditions, and in-house project management.

About the Club: Round Hill Club is an 18 hole Walter Travis design opened in 1924. The club sits on 210 acres and includes driving range/skeet range, indoor/outdoor tennis, squash, fitness center, and pool. The club is environmentally progressive as we have developed and implemented an environmental master plan for all departments and facilities, and has recently been recognized by the MGA for our achievements.

Tournaments to be held: Annual U.S Seniors Event

Current Projects: We have recently started construction on a 5 row, 3 million dollar irrigation project. The candidate will have the opportunity to experience part of the installation of a completely new irrigation system, pumphouse, and fertigation equipment. The project will continue for the next 8 months with estimated completion date of May 2012.

Redesign of practice facility with construction starting spring 2012
