

## **POSITION AVAILABLE**

### **SUMMER INTERN**

- DATE:** February 15, 2012
- COURSE:** Tamarack Country Club  
Greenwich, Connecticut
- OPERATIONS:** Private, 18-hole golf course. Charles Banks architect, completed in 1929.
- RESPONSIBILITIES:** To assist Superintendent and Assistants in all facets of golf course maintenance.
- QUALIFICATIONS:** Student enrolled in a Turf Management program or graduate looking for a starting position.
- SALARY & BENEFITS:** \$11.00/hour plus overtime, onsite housing and meals provided, golfing privileges.
- COMMENTS:** I believe this to be a wonderful opportunity for qualified students and graduates providing a unique work experience. The intern works hand in hand with Superintendent and Assistants with main priority focusing on quality of putting green surfaces. Intern will learn proper hand watering on greens and gain experience with application of pesticides and fertilizers. Please visit [www.tamarackcountryclub.com](http://www.tamarackcountryclub.com) for course and facility information.
