

Summer Internship 2012

Westchester Country Club

99 Biltmore Ave
Rye, NY 10580

Education: All applicants must be enrolled in either a two or four year turf related field and/or possess a turf related degree.

Experience: Prior golf course experience is preferred but not required.

Special Requirements: Applicant must possess a positive attitude as well as a relentless work ethic. Willingness to work in a team based environment with a diverse staff. All employees must have the dedication and ability to work long hours.

Daily Work Requirements: Student interns will have the opportunity to be involved in every aspect of turf and property management. Interns have an opportunity to; hand water and syringe greens, spray turf related pesticides, work on irrigation and drainage projects, sod projects, bunker restoration, tournament preparation both professional and member events, operating all turf related machinery and equipment, constant scouting for turf related problems and diseases.

Salary Range: \$10/ hr plus overtime after 40 hrs.

Benefits: On property housing, two meals a day, golf privileges, work uniform, plenty of overtime.

Details of the Club: Westchester Country Club is a 45 hole private country club located in the heart of Westchester County approximately 20 miles north of New York City. Westchester opened in 1923 and has two 18 hole championship golf courses designed by Walter Travis. Westchester also features an 8 story hotel and grounds, driving range, par three executive course, both grass and har-tru tennis courts, outdoor paddle tennis courts, and a 67 acre beach club on the Long Island Sound. In the fall of 2010 the West Course greens and approaches were re-grassed from our 80 year old poa annua to A1-A4 bentgrass. Student Interns will have the opportunity to compare and contrast the differences between bentgrass and poa annua greens during summer stress. Westchester has also hosted 45 PGA tour events in its long history and has the opportunity to continue working with the PGA in the coming years.
