

Michigan has issued the following vacancy announcement on USAJOBS:

Soil Scientist, GS-470-5/7/9, Flint, Michigan. This announcement is open to Merit (Status) and DEU (Non-Status) candidates.

1 Position

Opens: November 22, 2011

Closes: December 6, 2011

NOTE: This announcement was posted using **USA Staffing**. For this posting, applicants must answer an occupational/assessment questionnaire. When applying to this job online candidates must create a USAJOBS Account at <http://www.usajobs.opm.gov/> and a USA Staffing Account at <https://applicationmanager.gov/>. Once logged into your USAJOBS account, candidates can upload resumes, transcripts, and other required documentation in advance of answering the occupational/assessment questionnaire in USA Staffing. Establishing and navigating through your USAJOBS account prior to applying to a vacancy will expedite and simplify your application process.
