Galloway National Golf Club

Position: Golf Course Intern

Course information: Galloway National Golf Club is a private 18-hole championship golf course. It is located in Galloway, New Jersey about 10 minutes outside of Atlantic City. Architect Tom Fazio, crafted Galloway National’s 7000 yards out of 450 acres of heavily wooded bayside property. The golf course consists of creeping bentgrass playing surfaces with USGA-spec greens. Galloway National is currently ranked 32nd according to Golf Week's best Modern Courses.

Duties: Involved in all primary aspects of course management as part of the management team:

- Fertilizer/pesticide calibration, application and record keeping
- Integrated Pest Management strategies
- Turfgrass cultural practices (mowing, grooming, verticutting, topdressing, rolling, aerifying)
- Water management responsibilities (through use of
moisture meters)
• Projects (bunker repairs, drainage, irrigation, etc.)

As an intern you will have the opportunity to interact with the assistants and superintendent on a daily basis. During these interactions you will be encouraged to ask any questions and will become exposed to our decision making process. We look to try to bring out the strengths and improve on any weaknesses in our interns while preparing them for a successful future in the turf industry.

Compensation:

• $10/hour + overtime
• A town house 5 min. off property will be provided
• Uniforms
• Golfing privileges
• NJ pesticide applicators license
