Turf Management Students!

The Grand Geneva Resort & Spa in Lake Geneva Wisconsin has openings this spring-fall for internships to add to your resume. The Grand Geneva is a 4 diamond resort located in southeastern Wisconsin just 1 hour from Milwaukee and 1 ½ hours from Chicago.

Accepted interns will work closely with the Grounds Superintendent and other Grounds staff in all aspects of golf course maintenance. Training will include chemical and fertilizer applications, irrigation system and water management, daily course preparations, and crew supervision. Interns will gain good experience in a fast paced, upscale Resort operation.

Position Details:
Salary: $10.00 per hour
Reports to: Grounds Superintendent
Duties: Golf Course maintenance, tree and landscape beds, practice range, pesticide and fertilizer application and inventory, some equipment maintenance.
Benefits: Golfing privileges, uniforms, housing (at a nominal fee), meals.
Application deadline: Mar 01, 2015
Position available: Apr 1, 2015
Experience Requested: Two years golf course maintenance experience.
Education: Enrolled or a graduate from a two or four year turf program.
Skills: Hard working individual, committed to turf industry.

Course Information: Grand Geneva is a 36-hole resort facility in Lake Geneva, Wisconsin. The Brute was built in 1967, with large features, push-up greens. The Highlands was redesigned and rebuilt in 1995-96, with USGA greens.
