Comments: Harbor Links Golf Course is a high end public course located on the north shore of Long Island. It has an 18 Hole Championship course and a 9 Hole Executive course, 4 Athletic fields. Harbor Links has 450 acres of property to experience and see many different challenges. Candidates have the ability to see many different things and build on any experience level. Students will experience detailed hands-on training in all aspects of golf course maintenance. Tasks include course set-up, mowing, equipment maintenance, irrigation, water management, crew organization, fertilizer applications/calibrations, spray techniques and aerification. We are seeking students who are highly motivated, responsible, willing to learn, must have good work ethic and willing to work. We will be continuing to make irrigation installation and upgrades on our 9 hole Executive course and in house bunker renovations. Candidates will have the ability to spray as long as the necessary competency is displayed. Harbor Links is managed by Century Golf which has courses all over the country. This can lead to different career opportunities in the future depending on where the candidates want to further there Turfgrass Career.

Date Available: March 2015- Fall of 2015 We are flexible with candidates

Salary $12-$13/hour DOE +OT

Benefits: Housing, Meals, Golfing Privileges, uniforms, if candidate is interested volunteering to gain tournament experience.
