Job Description: Interns will be involved in the daily maintenance of two golf courses, North and South, and will work closely with the superintendents and the assistant superintendents. Interns will learn fertilizer/pesticide calibration and application, course setup, irrigation repair, disease identification, water management, and the Toro Lynx VP irrigation system. This is a unique opportunity to gain warm and cool season grass experience, USGA and pushup green experience, and also bent/poa experience in one season.

Salary: $10.75/hour

Other information: Woodmont is a private club with two 18 hole championship golf courses. The South Course was built in 1955 and has zoysiagrass fairways and push-up bent/poa greens. A South Course Master plan was developed last year with the intention of renovating the South Course. We are also in the midst of a bermudagrass eradication, drainage, and grading projects on the fairways. A new pump station will be installed on the South Course this winter. The North Course was built in 1951 and has bentgrass fairways and A-4 USGA greens. New greens and irrigation were installed in 2007 on the North Course. The North Course underwent an additional renovation in 2011 which included converting the fairways to bentgrass, rough renovation, bunker renovation, and construction of a short game practice facility with two A-4 USGA greens. A new chemical facility and wash water recycling system will be constructed starting this winter. Woodmont is an annual host of the Men’s U.S. Open Qualifier. Interns will also have the opportunity to volunteer at a PGA Tour event during the summer. Woodmont is located outside of Washington D.C. in Rockville, Maryland and is within walking distance to the Metro.
